

PUBLIC WORKS - LABOR CODE PROVISIONS

1. Prevailing Wage.

A. The Contractor and all Subcontractors under the Contractor shall pay all workers on Work performed pursuant to this Contract not less than the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work as determined by the Director of the Department of Industrial Relations, State of California, for the type of work performed and the locality in which the work is to be performed, pursuant to sections 1770 et seq. of the California Labor Code. Copies of the general prevailing rates of per diem wages for each craft, classification, or type of worker needed to execute the Contract, as determined by Director of the State of California Department of Industrial Relations, are on file at the Court's principal office. Prevailing wage rates are also available from the Court or on the internet at (<http://www.dir.ca.gov>).

B. Contractor shall ensure that Contractor and all of Contractor's Subcontractors execute the Prevailing Wage and Related Labor Requirements Certification attached to the Contract and incorporated herein.

C. The Project is subject to compliance monitoring and enforcement by the Department of Industrial Relations. Contractor shall post job site notices, as prescribed by regulation. Contractor shall comply with all requirements of Labor Code section 1771.4, except the requirements that are exempted by the Labor Commissioner for the Project.

2. Registration.

A. Contractor shall comply with the registration and compliance monitoring provisions of Labor Code section 1771.4, including furnishing its certified payroll records ("**CPR(s)**") to the Labor Commissioner of California and complying with any applicable enforcement by the Department of Industrial Relations ("**DIR**"). Labor Code section 1771.1(a) states the following:

"A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded."

B. Contractor shall, and shall ensure that all "subcontractors" (as defined by Labor Code section 1722.1), comply with Labor Code section 1725.5, including without limitation the registration requirements with the Department of Industrial Relations that are set forth in Labor Code section 1725.5. Contractor represents to the Court that all "subcontractors" (as defined by Labor Code section 1722.1) are registered pursuant to Labor Code section 1725.5. Contractor shall not permit any Subcontractor to perform Work on the Project, without first verifying the Subcontractor is properly registered with the DIR as required by law, and providing this information in writing to the Court. Contractor acknowledges that, for purposes of Labor Code section 1725.5, this Work is public work to which Labor Code section 1771 applies.

3. Hours of Work.

A. Notwithstanding the timing and duration of the Work under the Contract which is subject to court activities and other coordination required for occupied facilities, as provided in article 3 (commencing at section 1810), chapter 1, part 7, division 2, of the Labor Code, eight (8) hours of labor shall constitute a legal day's work. The time of service of any worker employed at any time by Contractor or by any Subcontractor on any subcontract under this Contract upon the Work or upon any part of the Work contemplated by this Contract shall be limited and restricted by Contractor to eight (8) hours per day, and forty (40) hours during any one week, except as hereinafter provided. B. Contractor shall keep and shall cause each Subcontractor to keep an accurate record showing the name of and actual hours worked each calendar day and each calendar week by each worker employed by Contractor in connection with the Work or any part of the Work contemplated by this Contract. The record shall be kept open at all reasonable hours to the inspection of Judicial Council and to the Division of Labor Standards Enforcement of the DIR.

C. Pursuant to Labor Code section 1813, Contractor shall as a penalty to the Court forfeit the statutory amount (believed by the Court to be currently twenty five dollars (\$25)) for each worker employed in the execution of this Contract by Contractor or by any Subcontractor for each calendar day during which such worker is required or permitted to work more than eight (8) hours in any one calendar day and forty (40) hours in any one calendar week in violation of the provisions of article 3 (commencing at section 1810), chapter 1, part 7, division 2, of the Labor Code.

D. Any Work necessary to be performed after regular working hours, or on Sundays or other holidays shall be performed without additional expense to the Court.

E. Project Work will typically take place in an occupied court facility; therefore, work hours may be restricted depending upon the Project. The individual Service Work Order will include any restrictions on hours of work. If the Service Work Order does not include a restriction on hours of work, then the work must take place during business hours.

Upon the request of Division of Apprenticeship Standards or Division of Labor Standards Enforcement, these penalties shall be withheld from progress payments then due.
