What is Accident Insurance?

Accident Insurance pays you benefits for specific injuries and events resulting from a covered accident. The amount paid depends on the type of injury and care received. You have the option to elect Accident Insurance to meet your needs. Accident Insurance is a limited benefit policy. It is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

You may qualify to receive benefits for items listed below, as long as they are the result of a covered accident. See the certificate of insurance and any riders for specific details.

- Accident hospital care
- Follow-up care
- Common Injuries

Other features of Accident Insurance include:

- **Guaranteed Issue:** No medical questions or tests required for coverage.
- **Flexible:** You can use the benefit money for any purpose you like.
- **Payroll deductions:** Premiums are paid through convenient payroll deductions.
- **Portable:** Should you leave your current employer or retire, you can take your coverage with you.

How can Accident Insurance help?

Below are a few examples of how your Accident Insurance benefits could be used:

- Medical expenses, such as deductibles and copays
- Home healthcare costs
- Lost income due to lost time at work
- Everyday expenses like utilities and groceries

Who is eligible for Accident Insurance?

- **You**—all active employees working 20+ hours per week.
- **Your spouse***— under age 70. Coverage is available only if employee coverage is elected.
- **Your child(ren)**— to age 26. Coverage is available only if employee coverage is elected.

*The use of "spouse" in this document means a person insured as a spouse as described in the certificate of insurance or rider. This may include domestic partners or civil union partners as defined by the group policy. Please contact your employer for more information.

What accident benefits are available?

The following list includes the benefits provided by Accident Insurance. The benefit amounts paid depend on the type of injury and care received. You may be required to seek care for your injury within a set amount of time. Note that there may be some variation by state. For a list of standard exclusions and limitations, go to the end of this document. For a complete description of your available benefits, along with applicable provisions, exclusions and limitations, see your certificate of insurance and any riders.
