**Question Deadline:** Friday, August 6<sup>th</sup>, 2010

**Bid Submittal Deadline:** Monday, August 16<sup>th</sup>, 2010 by 3:00 p.m. Pacific Standard Time

**Question 1:** Is it possible to relook at the operating schedule so the same set of employees can staff both locations? For example, have one location open on T,W,F 8:00 am – 12:00 and 1:00 – 5:00 and the smaller location open M, Th 8:00 – 12:30? Or some similar schedule.

**Answer:** Alternate schedules will not meet the Court's needs; therefore we will need to keep the schedules as listed in both RFP's.

**Question 2:** Can you describe both facilities, including, but not limited to: are there hand-washing and toileting facilities within the childcare area? Can photo's and/or floor plans be provided to bidding vendors?

**Answer:**

The facility located at Santa Maria Juvenile Court, listed in RFP No. 2010-04 has public restrooms near the Children's Waiting room. They are not located within at this facility.

The facility located at the Figueroa Division, listed in RFP No. 2010-05 has children's restrooms located within the room.

Photo's and floor plans will be posted with each RFP no later than Wednesday August 11 by 5:00 p.m.

**Question 3:** If a vendor is bidding on both locations, can both sites be combined into one proposal?

**Answer:**

Yes, a vendor bidding on both locations may combine the bid into one proposal. The vendor must separate the pricing out for each location, and note any pricing differences if vendor is awarded a contract for only one of the facilities.
