- A Violation cited on a notice to appear as not eligible for correction. (VC 40303.5, VC 40522, and VC 40610.) A citing officer may issue a noncorrectable notice to appear for an equipment, driver's license, or registration offense that is potentially eligible for correction if the officer determines that the violation presents an immediate safety hazard, there is evidence of fraud or persistent neglect, or the violator does not agree to, or cannot, promptly correct the violation. (See *California Highway Patrol v. Superior Court* (2008) 158 Cal. App.4th 726 [riding a motorcycle without wearing any helmet presents an "immediate safety hazard" when an officer makes that determination and issues a noncorrectable citation].) If a citation does not indicate that an offense is eligible for correction under VC 40522, a court may presume that the offense is cited as noncorrectable. (See also *Id.* at p. 740 [a court may infer from the type of citation issued that the officer did or did not find disqualifying circumstances].)
- B Violation cited on a notice to appear as eligible for correction. (VC 40303.5, VC 40522, and VC 40610.) A potentially eligible equipment, driver's license, or registration offense may be cited as correctable on a notice to appear unless the citing officer determines that the violation presents an immediate safety hazard, there is evidence of fraud or persistent neglect, or the violator does not agree to, or cannot, promptly correct the violation. (See *California Highway Patrol v. Superior Court* (2008) 158 Cal. App.4th 726 [riding a motorcycle without wearing any helmet presents an "immediate safety hazard" when an officer makes that determination and issues a noncorrectable citation].)

Per PC 19.8: VC 14601.1(a) charged as an infraction is subject to fine "... not to exceed \$250...."
- ¹⁰ Per VC 14611: "a fine of not less than \$5,000 nor more than \$10,000."
- ¹¹ VC 15620(b) permits the court to reduce or waive the fine if the defendant establishes to the satisfaction of the court that he or she is economically disadvantaged and the court, instead, refers the defendant to a community education program that includes education on the dangers of leaving young children unattended in motor vehicles, and provides certification of completion. Upon completion of that program, the defendant shall provide that certification to the court.
- ¹² Per VC 16025(b): "... fine not to exceed \$250 ..."
- ¹³ Per VC 16029(a): "...fine of not less than \$100 and not more than \$200 for first conviction. - ¹⁶ This code section also pertains to offenses that may be cited as a parking violation.
- ¹⁷ Under VC 21212(d), a first charge under VC 21212(a) shall be dismissed when the person charged alleges in court, under oath, that the charge against the person is the first charge against that person under VC 21212(a), unless it is established in court that the charge is not the first charge against that person.
- ¹⁸ Per VC 407.5: "(a) A "motorized scooter" is any two-wheeled device that has handlebars, is designed to be stood or sat upon by the operator, and is powered by an electric motor that is capable of propelling the device with or without human propulsion. For purposes of this section, an electric personal assistive mobility device, as defined in Section 313, a motorcycle, as defined in Section 400, a motor-driven cycle, as defined in Section 405, a motorized bicycle or moped, as defined in Section 406, or a toy, as defined in Section 108550 of the Health and Safety Code, is not a motorized scooter.
